<p>Kishiro is a Japanese-style inn situated in Semi-onsen of Mogami-cho, Yamagata prefecture. The entrance to our main building (bath-house entrance) and the surrounding building is said to be the oldest structure in Yamagata prefecture. Some parts of our annex building (accommodation building) were constructed in the Taisho-era and the guest rooms were constructed in the late Showa period. The building features many historic fixtures, carvings and decorations, on the interior as well as the exterior. We are often complimented by our guests that Kishiro is a wonderland where guests can feel the history of the Meiji period, Taisho period and Showa period all at once. Also features a variety of baths such as four-family bath, large mixed-gender bath (also has separate times for just men or women), rock bath, men's bath, women's bath, and Dutch-style bath with scenic views.</p>
